The rumored collision between the Sloux and the Chippewas, and the taking of scalps by the latter is without foundation.

At an early hour this morning the steamer Splendid, tying at the dock at Jersey city, took fire and burned to the water's edge. The flames communicated to the steamer Moses Taylor, a new boat which was also destroyed. The latter was owned by the Delaware and Luckawanna B. E. Co., and Insured for \$13,000. The Splendid was owned by G. Scott & Sons, and was insured for \$10,000.

The Cunrad etermship Arabia was in imminent danger once, but for tunstely the wind shifted. It is feared that Mr. Scott's son perished in the flames.
